

Vel Tech Multi Tech Dr Rangarajan Dr Sakunthala Engineering College is a registered Alumni Association under the Societies Registration Act. It was formed on 25.01.2016 at The Registrar of Society, Chennai South. Registration No: (2/2016) under The Tamil Nadu Societies Registration Act, 1975.

The Institution strongly believes that the Alumni is the Backbone of the Institution and it always rest on the history of the success of the students/alumni. It is the flag bearer of the developments and the achievements of the Institution.

The main objective of the Alumni Association has been in developing a very long-lasting relationship of the alumni with the Institution and to serve the Institution, by adding value-added services to their capacities. Through the Alumni Association, an interface has been created between the Faculty, students and alumni for establishing a link. Alumni working at various parts of the globe at key positions do serve the budding engineers of the Institution.

Contribution of the Alumni Association

The following support services are rendered to the students through the Alumni Association:

- **Interaction with the Alumni:** Alumni across the globe are invited as resource persons for various events, guest lectures and panel discussions. They provide inputs and share their experiences regarding skills required, update on the latest technologies & trends in corporate world, application of knowledge and corporate working culture.
- **Employability Guidance:** The alumni working at various organizations across the globe keep the Placement Department of the Institution updated about the placement openings available. They assist and guide the students to crack the interviews. They also share their experience with the students and motivate them for their career development in various domains

- Alumni themselves appear as Recruiters for their organizations and promote the students of our Institution to their management for campus placements.
- Alumni who are as Entrepreneurs also enlighten the budding engineers through their success stories and the kind of bottlenecks or the challenges faced by them. They create awareness and induce interest to the students who are interested to turn out as entrepreneurs.

The Alumni Meet is conducted every year during the 2nd week of February. This meet creates a good opportunity for the Alumni to reconnect with the Almamater and old friends. This is the best platform for networking and sharing new trends and current happenings in the corporate world. These inputs are helpful to academicians for molding the aspiring students.
