## **About the Institution**

**Vel Tech City of Education** set up in 1990 by Founder couple Dr.R.Rangarajan & Dr.Sakunthala Rangarajan, has a current students strength of 18000 houses a deemed university, two Engineering colleges affiliated to Anna University, four business schools.

Veltech Multitech Dr. Rangarajan Dr.Sakunthala Engineering College popularly known as **Vel Tech Multi Tech** was established in 1999 with the vision to provide right environment for technology transformation to the young minds. The campus is extended over an area of 35 acres of lush greenery campus and the Institute is imaginatively laid-out with picturesque landscape. The instructional buildings include departments, a central library, common amenities and student's hostels with the walking distance from Institute. The sprawling campus with state of the art laboratories cultivates good character and ethics.

### **Infrastructure:**

The institute distinguishes itself from other institutes due to its holistic approach and unique foresighted planning in providing technical and professional education with state-of-the-art technology. The main objective of the institute is to generate a horde of highly creative professionals, who can contribute not only to the Human Resource Development but also to Nation building exercise. Vel Tech Multi Tech is supported by eminent Industry experts, Corporate, Scientists, Academicians and Management consultants for combining theory with practice. All round personal growth of the students and the development of their skills are the key objectives of Vel Tech Multi Tech. We groom students to become effective men and women paving the way to immediate employment.

### **Courses Offered:**

The Institute offers Eight Undergraduate courses of BE in Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Bio medical Engineering and B Tech course in Information Technology, Computer Science & Business System, Artificial Intelligence and Data science and Two Post graduate courses of ME in Embedded System Technologies and VLSI Design.

### **R&D Activities:**

Research is the part and partial of the regular teaching learning activities in Vel Tech. More than 20 Million INR is received as R&D grant through various government funding agencies like DST , ICMR, CPRI, SERB, TNSCST, INSA, FAER etc., for various research projects. Anna University approves research centers for the Department of Electronics & Communication Engineering, Department of Electrical & Electronics Engineering, Basic sciences like Chemistry, Physics. To foster the growth of research Vel Tech has created a

research Centre within its campus. In addition to the regular equipment as prescribed by AICTE and Anna University, the research oriented equipment like SCUBA, Cold Centrifuge (-4<sup>0</sup>C) and Rotary evaporator, Ansys, ProE, Stadpro, Autocad, Macromedia, Matlab Pro, PSCAD and MIPOWER ver. 6 software for power system simulation, Logic analyzer for Protocol & signal analysis, RIDE software for the development of firmware are made available and is regularly used for teaching, learning, Projects and Research purposes

### **Placement and Training:**

The placement cell is very vibrant and Vel Tech is accredited by Core, IT, IT enabled Industries. There have been more than 300 regular recruiters with exclusive Interview Halls and Group Discussion Halls for recruitments for on campus placements. In order to make the students industry ready, arranging lectures for placement guidance and Pre placement internships are regularly scheduled.

### **Industry – Academy Interactions**

MoU with around 27 Public sector/Research Institutes, 7 International Organizations, and 12 MNCs totaling 46 active MoUs to promote collaborative research, student and faculty exchange programs.

### **Eminent Professors and Dynamic Faculty**

Highly qualified, well-experienced and Dynamic team of Faculty members imparting knowledge to the students. Nearly 20% of the Faculty members are Doctorates with varies disciplines, around 7% did Post Doctoral Fellowships, rest of the faculty members are pursuing their PhDs. Professors recorded their expertise through Research Projects, Publications and Patents to their credit.

### **Institution Vision**

Elevating well being of humanity by augmenting human resource potential through quality technical education and training

### **Institution Mission**

- To effectuate supremacy in technical education through articulation of research and industry practices for social relevance.
- To inculcate the habit of lifelong learning
- To exhibit professional ethics, commitment and leadership qualities
