ALUMNI FEEDBACK – 2022-23

SUMMARY, SUGGESTIONS AND ACTION TAKEN REPORT OF THE ALUMNI FEEDBACK – 2022-23

As per the feedbacks received from the alumnus, the major points were presented as a summary below:

- 1) Alumnus proposed to conduct Alumni Meet twice every year without fail.
- 2) Alumnus proposed to start various chapters across the state and outside the state.
- 3) Alumnus proposed to introduce Alumnus Fund to serve the children who are in financial aid for studies.
- 4) Alumnus appreciated the efforts taken by the institution towards Entrepreneur Development Activities and in the promotion of higher education activities for the students.
- 5) Alumnus proposed to organize a tour of alumni to initiate as a reunion meet.
- 6) Alumnus proposed to engage more of alumni members as guest speakers for various activities conducted within the institution.
- 7) Alumnus appreciated the efforts taken by the institution in improving the Placements. They were happy to know about the various measures taken towards increasing the Placement of the students.
- 8) The Alumnus appreciated the institution for signing MoU with many industries that indeed increases the room for placements.

SUGGESTIONS:

- 1) The alumnus suggested to conduct Alumni Meet twice every year without fail.
- 2) The alumnus suggested to start various chapters across the state and outside the state.

- 3) The alumnus suggested to introduce Alumnus Fund to serve the children who are in financial aid for studies.
- 4) The alumnus appreciated the efforts taken by the institution towards Entrepreneur Development Activities and in the promotion of higher education activities for the students. The alumnus suggested to conduct more workshops and seminars to the students from industrial experts to inculcate strong knowledge to students on the above aspects.
- 5) The alumnus suggested to organize a tour of alumni to initiate as a reunion meet.
- 6) The alumnus suggested to engage more of alumni members as guest speakers for various activities conducted within the institution. Suggestions were given to develop the curriculum suiting to the industry needs and requirements.
- 7) The alumnus appreciated the efforts taken by the institution in improving the Placements. They were happy to know about the various measures taken towards increasing the placement of the students. The members suggested to bring in more core companies for placement. Suggestions were given on providing special training to the students who are preparing for competitive exams.
- 8) The alumnus appreciated the institution for signing MoU with many industries that indeed increases the room for placements. Using MoUs, it was suggested to develop more interaction for the students from the industry. Suggestions were given to emphasize on students to attend internships, which would provide more industry exposure to the students.

ACTION TAKEN:

- 1) The chairperson of the Alumni committee of the institution informed the members that as a policy matter, Alumni meet would be conducted once in a year, by inviting all alumni for the same.
- 2) The chairperson of the Alumni committee of the institution informed the members that alumni chapters would be started by January 2024.
- 3) The chairperson also informed the members that there are alumni who are already contributing to the same and also invited new members to join the group.
- 4) Alumni are invited to campus to conduct workshops across all departments and their industry expertise is shared to the students.
- 5) The alumni are also one of the member in the Board of studies of each department. Their inputs are also considered and taken into account in curriculum enhancement,

whenever required and wherever possible, the same is implemented by conducting the Board of Studies meeting of the departments, once in every six months.

- 6) The percentage of core companies have increased to 65% this year compared to 55% of last year.
- 7) Training is provided through external agencies which has been more beneficial to the students.
- 8) Students are provided with On-Duty to attend Internships and the Tie-up of the institution with many industries through MoUs has provided the students to get stipend during their internship period.
- 9) Students are provided on-duty with TA & DA to participate in technical and non-technical events. Students are encouraged to participate in such events and the institution supports the students with on-duty with TA & DA, for the students to participate in events within the state and outside the state.
