GRADUATE EXIT FEEDBACK – 2021-22

SUMMARY, SUGGESTIONS AND ACTION TAKEN REPORT OF THE GRADUATE EXIT FEEDBACK – 2021-22

SUMMARY OF THE EXIT SURVEY RECEIVED

The survey was developed to assess the graduate's opinions about their experiences at the Institution.

As per the feedbacks received from the students, the major points were presented as a summary below:

- The graduates felt that the overall infrastructure development of the institution is very good.
- The graduates appreciated the efforts taken by the institution in improving the Placements. They were pleased and happy on the various measures taken towards increasing the Placement of the students.
- The graduates appreciated the institution for the best teaching methods followed by the institution towards providing good results in the university results.
- The graduates appreciated the institution for signing MoU with many industries that indeed increases the room for placements.

SUGGESTIONS:

- 1) The graduates suggested to increase more add on courses so that the students gain more knowledge on their course apart from the academics, especially to conduct value added courses to enhance their technical knowledge apart from the academia.
- 2) The graduates insisted to increase the awareness among the students towards Higher Education and Entrepreneurship.
- 3) The graduates suggested to open more avenues for the students to exhibit their innovative ideas.
- 4) The graduates suggested to provide on duty for the students to attend more internships which would provide them the industry exposure. The graduates also suggested to consider on duty in case the company permits and provides the extension period in internship during the semester holidays and up to the start of the semester classes.
- 5) The graduates suggested to permit the students to participate in technical contests in and around with on duty facility.
- 6) The graduates suggested for long distance industrial visits and companies suitable to their course in that particular semester.
- 7) The graduates insisted to make the students involve in more social responsible activities.

ACTION TAKEN REPORT:

- 1) Based on the feedback received from the graduates, the institution is strongly focusing on all its verticals such as Higher Education, Entrepreneurship Cell, Placement and Research.
- 2) The institution has signed more number of MoUs for all the departments which indeed not only increases the room for placements, internships etc., but also using such MoUs, it was suggested to develop more interaction for the students from the industry.
- 3) Value-added courses are also conducted to the students by the industries with whom the institution has signed the Memorandum of Understanding (MoU).
- 4) Students are made to participate in all innovation contests and the state level project expo, TECHYUGAM, an internal innovation contest was conducted.
- 5) Higher education awareness programs were conducted to the students from various agencies on Higher Education on abroad.
- 6) The students were encouraged to participate in more innovative and technical contests and the institution has also increased its focus in promoting innovative activities among the students and developing products that are suiting the industry needs.
- 7) As requested, the students are permitted to participate in competitions outside the state, students are provided on-duty with TA & DA to participate in events within the state and outside the state. Technical or Non-Technical, Co-curricular or Extra-curricular, students are encouraged to participate in such events and the institution supports the students with on-duty with TA & DA, for the students to participate in events within the state and outside the state.

- 8) Students are provided with On-Duty to attend Internships and the Tie-up of the institution with Internshala and other industries, has provided the students to get stipend during their internship period
- 9) Students are encouraged to actively involve in social welfare activities like providing food, clothes to the needy, awareness rallies, tree plantation programs etc.,
